Eye-Health

MacuPrime

MacuPrime is a premium triple carotenoid supplement containing 10mg Lutein, 10mg Meso-Zeaxanthin and 2mg Zeaxanthin. It is approved by the Supplement Certified testing program. This quality certification guarantees perfect shelf life stability and ingredients.

MacuPrime 30's

MacuPrime 90's

MacuPrime PLUS

MacuPrime PLUS combines the same three macular carotenoids as MacuPrime, with a blend of Vitamin C, Vitamin E, Copper and Zinc. Zinc supports the maintenance of normal vision.

MacuPrime Plus

- The natural food supplement based on marine Omega 3 for your eyes.
- Lagad Lacrima offers a natural response to people who complain of dry eye, red eye that "itches".
- Fish Oils (Omega 3) - Borage Oil**
- Omega 3 essential fatty acids (DHA and EPA) from cold-water fish
- Gamma-linolenic acid (GLA) from borage oil
- Antioxidant vitamins and minerals**
- Micro-encapsulated zinc
- Alpha Lipoic Acid
- Vitamin C + Vitamin E

Lacrima

Brain-Health

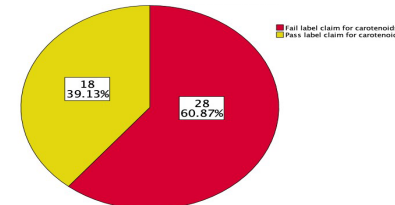

Remind

All-natural and clinically tested ReMind™ is an all-natural, nutritional supplement that was developed to support normal brain function. Unique patented formula ReMind is patented in Ireland, the United States and the UK. Omega-3s and carotenoids It is uniquely formulated to deliver a targeted dose of omega-3 fatty acids, carotenoids and vitamin E directly to your brain. Just 3 capsules a day With three capsules each day, ReMind™ will boost your diet and start you on the road to better brain function.

SUPPLEMENT CERTIFIED

Not all supplements are created equally!

61% do not meet their label claim out of a sample of 46 commercially available carotenoid supplements analysed at NRCI facilities

Baseline Analysis: 46 eye and brain carotenoid supplement tested at the NRCI: Supplement Certified
